

World Travel Market, 1st – 3rd November

The World Travel Market is a prime destination for travel industry networking opportunities and conducting business deals. With attendees allowed at full capacity, the event is set to see 50,000 travel professionals, key industry buyers, journalists and digital influencers attend.

We can help you access this sector through:

- **COPY PLACEMENT** – Targeted placement in hotels at Excel and surrounding areas. We can place copies in highly visible racked locations including airports and top corporates in the City.
- **BRAND TO HAND** – Place your brand directly into the hands of your target audience through brand activation at or en route to the event. As well as sampling your title we can also help you to collect consumer data.

Please contact Michaela Talbot at Global Media Hub on michaela@globalmediahub.co.uk for further details and costs.
